S i r,

With reference to your letter No R 9591/Ml 21-20-105 dated 28th February 1921, forwarding for report a petition dated the 10th January 1921, from Janopakari Mr Doddanna Setty requesting that the buildings attached to the S L N Institution Bangalore City together with the funds endowed by him for the maintenance thereof may be taken over by the City Municipal Council etc I have the honor to state that Mr Doddanna Setty seems to have submitted the petition in a spirit of dissatisfaction towards the Municipality The action taken by the City Municipal Council in the matter of his several representations was reported to Government from time to time Reference is kindly invited to my letters Nos 211 dated 19-2-1920, 230 dated and 249 dated 1st April 1920 11th March 1920/on the subject of his representations It is a matter for Government to consider how far Mr Doddanna Setty's disposition of mind towards the Municipality is justifiable in view of the fact that the Municipality has been very liberal and considerate in all their dealings with him They have granted him, free, extensive lands in a most important and central portion of the City which at the present market value are worth more than a lac of Rupees They have granted him permission to build shops etc which yield him a good income and they have condoned his action in building without license If in spite of all these considerations Mr Doddanna Setty feels aggrieved
